As part of Duskin's Medium-Term Management Policy 2028, we have been expanding our business in rapidly growing Asian markets while adapting our business model to align with each market's characteristics. Mister Donut is strengthening its presence outside of Japan in countries including Thailand, the Philippines, Taiwan, Indonesia and Singapore.

Duskin and SMBM are planning to open another shop by the end of December 2026, and 30 shops in total by the end of December 2029. Through operating these shops, we will grasp customers' needs and market demands to expand our business in the East China region*.
