Proposal 1 Appropriation of Retained Earnings

Duskin considers the return of profits to shareholders to be one of our highest priorities. Our policy is to distribute a portion of the profit based on our performance while preserving an appropriate balance with investments for sustainable growth and higher corporate value, as well as maintaining financial soundness in preparation for potential risks. Duskin determines dividends for each fiscal year with a target consolidated payout ratio of 50% and will continue to pay stable dividends.

With our focus on continuously generating stable cash dividends while securing the internal capital resources required for sound business management, we have decided that the full-year dividend for fiscal 2021 should be 83 yen per share.

We have therefore determined that the year-end dividend should be 53 yen per share which, together with the interim dividend of 30 yen per share, brings the full-year dividend to 83 yen per share.

(1) Type of dividend: Cash

(2) Dividend particulars and amounts:

53 yen per share of common stock

Total amount of dividends: 2,651,038,482 yen (Funds for the dividends: Retained earnings)

Duskin paid an interim dividend of 30 yen per share. The full-year dividend is to total 83 yen per share.

(3) The effective date of the dividends: June 24, 2022

Reference: Dividend policy after FY2022

Duskin considers the return of profits to shareholders to be one of our highest priorities. Our policy is to distribute a portion of the profit based on our performance while preserving an appropriate balance with investments for sustainable growth and higher corporate value, as well as maintaining financial soundness in preparation for potential risks. Accordingly, Duskin has determined that the full-year dividend will be based on a consolidated payout ratio of 60% or a dividend on equity ratio (DOE) of 2.5%, whichever is higher.

Likewise, if Mr. Shinichiro Ueno and Ms. Fumi Musashi are elected as Directors, they both are to be included as insureds. Duskin intends to renew their contracts once due for renewal (after one year) under the same terms during their tenure by resolution of the Board of Directors.

The candidate for this position is as follows.

Reference: Policy on selecting Audit and Supervisory Board Member candidates

Audit and Supervisory Board Member candidates must have the proper character, knowledge and ethics for this post, and must have no health issues that would prevent them from performing their duties.

The role of Audit and Supervisory Board Members is to properly oversee the performance of Directors (through operational audits (compliance audits) and accounting audits) and to create a sound corporate governance framework. Therefore, Audit and Supervisory Board Member candidates must maintain their independence from the executives and demonstrate the abilities and knowledge necessary for performing their duties with integrity. The candidates are also expected to show profound insights into Duskin's businesses and the ability to make decisions regarding corporate management from an objective and neutral standpoint. The selection of candidates is determined by resolutions of the Board of Directors after obtaining the consent of the Audit and Supervisory Board. In addition, at least one (1) Audit and Supervisory Board Member selected must have considerable expertise in finance and accounting.

Outside Audit and Supervisory Board Member candidates must have no conflict of interest with respect to the Duskin Group, be able to maintain their independence and have extensive knowledge and experience in legal matters, accounting, internal controls, corporate reorganizations and other fields that are needed to oversee and advise the Board of Directors. The selection of candidates is determined by resolutions of the Board of Directors after obtaining the consent of the Audit and Supervisory Board.
